

It is with great sadness that we inform you of the passing of Thomas Allenburg, DC.

Tom was proud to have studied at St. John's University and Northwestern College of Chiropractic. He was a practicing chiropractor for more than 30 years and had a highly successful second career as a business leader and entrepreneur. One such venture was ChiroCare, now known as Fulcrum Health, Inc.

“A tragic loss for the entire community, may we all continue to follow in his footsteps and do good in the community in his memory” said Vivi-Ann Fisher, DC, Chief Clinical Officer at Fulcrum Health.
